

HAVE YOUR

CIRCUS PARTY

at the School of Acrobatics & New Circus Arts!

Celebrate your next big event with us! A circus party is a great opportunity for kids (and adults!) to play in a fun safe environment.

For adults or teens we offer a ninety-minute circus party including warm-ups, trampoline, tumbling, tightwire, juggling and aerial arts.

For youth we offer parties for children age five or older, which includes 1-1/2 hours of time in our facility and a SANCA shirt for the birthday child. The kids enjoy a 55-minute circus class beginning with warm-ups and including tumbling, juggling, tightwire, trapeze, and trampoline. Just as in our regular classes, our student-to-instructor ratio is kept very small to maximize the fun for everyone. After the kids have tumbled and jumped everyone will retire to the party room for refreshments, gifts, photos. We ask that you clean up after yourselves; there are recycling and trash receptacles in the party room.

All participants MUST have a completed and signed waiver. Comfortable, easy-to-move-in clothing (no jeans!) should be worn for the circus party.

You may arrive up to 30 minutes before the scheduled party time to set up refreshments and the party room. Guests may arrive 15 minutes early. For those who have forgotten their waiver this is the perfect time to fill one out. Guests should take personal belongings and presents to the party room, and wait in there for the instructors to begin class. Tables will be covered in white paper (crayons provided for coloring). Parents and non-participating children should wait in the party room.

SANCA Party Policies for host families

(Your guest's information will contain policies pertaining to guests)

Scheduling

- We must receive party contract and payment 2 weeks in advance of the desired date in order to schedule a party.
- There is a \$25 non-refundable cancellation fee for parties cancelled up to 24 hours in advance. Same-day cancellations and no-shows are non-refundable.
- The number of participants written on the SANCA party contract is how many we will expect for the party. We must have 48-hours notice, subject to our approval, for any changes. This is necessary to ensure a safe and proper student/instructor ratio. We may not be able to accept additional participants the day of the party.

Participation

- All participating children must be at least 5 years old.
- Each participant (or a parent if a participant is under 18) must complete a waiver and medical history form before joining the party.
- Due to our busy schedule 35 minutes is the maximum time in the party room. You may decide it's easier to open gifts at home.
- Non-participants (parents, watchers, younger siblings) may not be on any equipment, including the tumbling mats.
- Please supervise any children in the waiting room; it is not a gym or playground.
- All guests must adhere to SANCA's policies and display appropriate class conduct. We reserve the right to remove □students engaging in unsafe or disruptive behavior.
- Students MUST follow the safety rules. A student who cannot will be asked to stop participating.
- Students are expected to be courteous and encouraging to classmates.
- No gum or food during class. We provide water breaks/water for students.
- Please do not bring your child to the gym with untreated pink eye, fever, vomiting or diarrhea, any wet or open rash or sores, or if you think s/he might have croup. Please cover warts with tape or a band-aid.

Attire

- Students must wear comfortable, stretchy clothing that is not too baggy—no jeans.
- NO zippers or buckles on clothing. They are hard on our equipment and can be dangerous to the student.
- To save the students from embarrassment during upside-down activities, shirts must be able to tuck in. No degrading or profane messages on clothing.
